Expenses Policy

Eligible purchases

This fictional policy covers reasonable costs made for an assigned work activity. Get manager approval before making a purchase when approval is practical. Personal items, fines, and costs unrelated to an assigned activity are not reimbursable.

Submitting a claim

Submit a claim through the expense desk with the date, business purpose, amount, and an itemized receipt. If a receipt is unavailable, include a short explanation. The desk may ask for clarification before recording the claim as complete.
